

MEXICANS HOPING FOR EASY TERMS

(Continued from Page One.)

The Democrats. In 1912 practically the same situation existed. Secretary Knox was ready to recognize the Huerta government but wanted the Chamizal dispute about boundaries in Texas settled. The Mexicans got the idea that they would get recognition easier if they delayed beyond March 4 but they were mistaken because Mr. Wilson refused absolutely to recognize Huerta on other grounds.

It so happens that among the friends of Senator Harding are many who believe military intervention alone will solve the Mexican question. There are others who have a feeling that recognition of the Obregon government will mean

MATHEVILLE

(Special Correspondence.)

A number of the Matheville boys who are employed in the mines in Fulton county are spending this week at their home here.

William Caddy has gone to Springfield as a delegate to the I. O. O. F. convention.

Several from here attended the Republican rally in Alton Wednesday evening.

Clyde Lawson and Olaf Young spent Wednesday in the tri-city. A Studebaker touring car which was held at the Thomas Gault garage for failure to pay for repairs

was sold at auction Wednesday for \$188.

Hilger Hultgren, who has been employed in Matheville, is now at his home here having been laid off.

Jack Haller made a business trip to Alton Tuesday.

Unimpeachable—If you were to see the unequalled volume of unimpeachable testimony in favor of Hood's Sarsaparilla, you would upbraid yourself for so long delaying to take this effective medicine for that blood disease from which you are suffering.

PEORIA MAN FORCED TO QUIT WORK, HE STATES

Winters Says After Suffering 7 Years Tanlac Restored His Health—Gains 30 Pounds and Is Back On Job Feeling Fine.

"My trouble so got the best of me I just had to quit work, and hardly expected to see another well day, but Tanlac has made a new man out of me and put me back on the job again," was the truly remarkable statement made recently by Peter Winters of R. F. D. No. 3, Peoria, Ill.

"Yes, during the past seven years I've certainly had my share of suffering, and before I got Tanlac I could hardly drag around the house much less mine coal, but the medicine has actually built me up 30 pounds in weight, and I'm now feeling just as fine as I ever did in my life. I had rheumatism and stomach trouble so bad I finally got down in bed, and was practically helpless. My legs were so stiff and sore I couldn't move them without the use of my hands, the

leaders felt like they were drawn up in knots, and just ached all the time. My appetite was so poor I ate little more than enough to keep body and soul together, and my stomach was in such terrible condition that even the little I did eat caused me no end of misery. It seemed that the more medicine I took the worse off I got, and I was very much worried over my condition and hardly knew which way to turn for relief.

"One day one of my friends got me to try Tanlac, and I want to say right here that it's nothing less than astonishing how the medicine has fixed me up. Why, my appetite is so good now that I eat three big hearty meals every day, and my stomach doesn't give me a bit of trouble. The rheumatism has entirely disappeared, I never have an ache or pain, and can get about just as good as I ever could. I've actually gained 30 pounds in weight, and am back at my work every day just feeling fine. I'll tell you, I'm thankful for my good health, and I'll always say a good word for Tanlac."

Tanlac is sold in Rock Island by Carl E. Schlegel drug stores and the leading druggist in every city.—(Adv.)

A DIVIDEND CHECK MONTHLY

CITIES SERVICE COMPANY

Bankers' Shares

Representing
CITIES SERVICE COMPANY COMMON STOCK

Cities Service Company Bankers' Shares are issued under an agreement with Bankers Trust Company, New York, depository, dated March 1, 1919, through which ten Bankers' shares may be issued for each one share of Cities Service Company Common Stock of \$100 par value deposited with the Trustee.

The agreement provides for the issuance of non-voting certificates, in registered form, to be known as "Cities Service Company Bankers' Shares," against the Cities Service Company Common stock so deposited, each such Bankers' Share representing a one-tenth interest in a share of Cities Service Company Common Stock at \$100 par value.

Holders of Bankers' Shares have the right to surrender their Bankers' Shares and to receive therefor one share of Cities Service Company Common Stock, par value \$100, for each ten Bankers' Shares so surrendered.

The agreement provides for the sale by the Trustee of all stock dividends received on the deposited Cities Service Company Common Stock and the disbursement of the proceeds from such sales, together with the cash dividends received on the deposited stock, in the form of a cash distribution to the holders of Bankers' Shares.

Cities Service Company is at present paying monthly dividends on the Common Stock at the rate of \$6.00 a share per annum in cash and \$15.00 a share per annum in Common Stock at par.

Distributions to holders of Bankers' Shares are payable on the first day of each month to holders of record the 15th day of the preceding month. The November first dividend was paid to 14,035 stockholders residing in 46 states and several foreign countries.

For the twelve months ending September 1, 1920, the monthly distributions on each Bankers' Share totaled \$5.9887, an average of 49.9 cents a Bankers' Share monthly.

Cities Service Company controls through stock ownership 28 oil producing, transporting, refining and distributing companies operating in Kansas, Oklahoma, Texas, Louisiana, Kentucky and Ohio. These companies produced, in 1919, 13,195,036 barrels of high grade, refinable crude oil. The Company also controls through stock ownership 84 corporations supplying electric light and power, natural and artificial gas, or street and interurban railway service in more than 350 communities in 21 states and the Dominion of Canada, serving a combined population in excess of 2,500,000.

Cities Service Company never has been so prosperous as it is today. Its assets are larger than ever before and its earning power is greater. For the 12 months ending September 30, 1920, gross income from operation of controlled properties and other sources was \$23,818,909. After providing for all expenses, taxes, interest charges and dividends on the Preferred Stock, there was a balance available for reserves, dividends on Common Stock and surplus of \$16,612,709. Total surplus and reserves on October 10, 1920, were \$51,340,828. A recent compilation made by one of the leading oil journals of the United States showed that in the point of assets employed in the petroleum industry, Cities Service Company stood third, being exceeded only by the Standard Oil of New Jersey and the Standard Oil of New York.

Price \$34.00 per share, subject to market changes.
